

This is a handicap parking sign that is made specifically for disabled people who need a spot for their van with a lift or ramp to get out of their van.

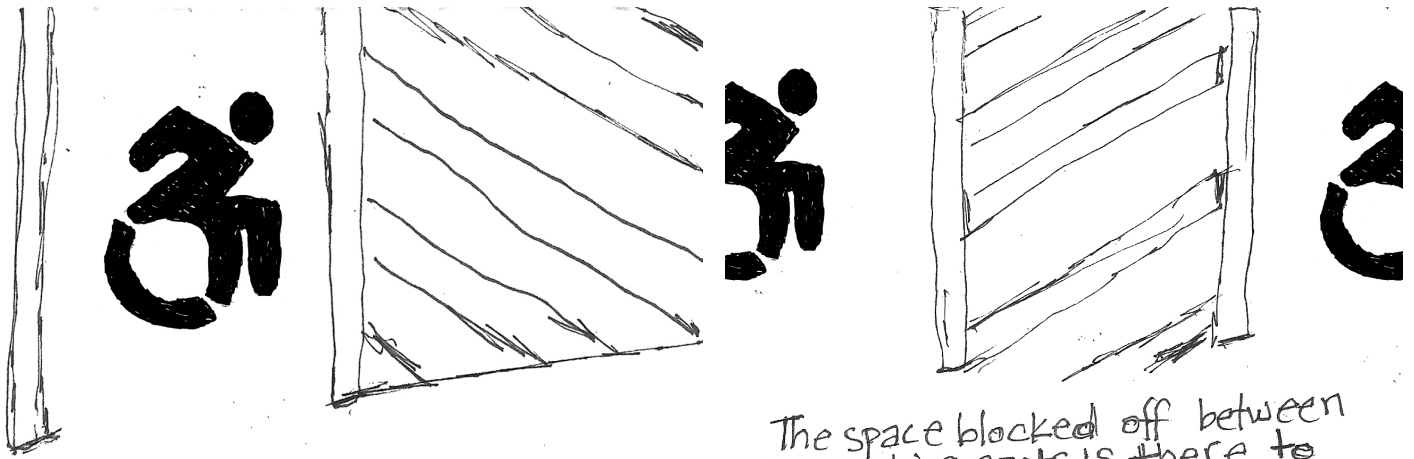

This is a handicap spot for a disabled person who uses a cane, walker, or wheelchair. It gives them a little extra room to get in or out of their vehicle.

This is a handicap spot for people that have a vehicle with a ramp or lift. The blocked off space is larger than the other one to give enough room for a person to get in and out of their vehicle.

The space blocked off between two parking spots is there to give a disabled person that has a lift or ramp on their vehicle enough room to get in and out of that vehicle. I always see people park there instead of the spot. By doing that they have made 2 spots inaccessible to the disabled.
